

NH/LSCP R2R 2022

WALK AROUND THE ROCK

April 30, 2022

If you aren't a bicycle rider but enjoy walking, please join the NH/LCSP walking team this year. With your participation, we are confident of increasing our ability to support important programs in New Haven and Leon. **Rock 2 Rock is a fundraiser as well as fun. Please ask family and friends to support your participation.**

TO PARTICIPATE:

1. First, on the Rock to Rock website, register as a walker [here](#). **Please note that the references to Riders also apply to Walkers.** Second, set up your fundraising page at [NHLSCP giveGreater site here](#). Click on the FUNDRAISE button to set up a page and enter text and picture. You'll get a link you can share with your prospective donors.
2. We are assuming that all are sufficiently vaccinated and boosted. In addition, we urge you to wear a mask in consideration of your safety and the safety of others.

WALKING ROUTE:

3. Our route takes the river loop trail from East Rock Park to the Eli Whitney Museum, through the covered bridge, and back to East Rock Park on the other side. This walk is on flat ground and takes approximately an hour. It's beautiful and has the perfect terrain and length for a family excursion. Bring the dog! Leashed and well behaved.
4. **We will meet at the College Woods Ranger Station (Orange and Cold Spring Streets) at 11 a.m. on April 30.**
5. . For more information on walking, contact Roy Money at roy.money@frontier.com, or call 203-498-0690.
